GENERAL PROCUREMENT NOTICE

Project ID No. : P165485

The Government of Kosovo (GoK) has received a grant in the amount of US\$ 2.79 from the Japan Social Development Fund, administered by the World Bank, to support socioeconomic inclusion of marginalized youth in Kosovo and it intends to apply part of the proceeds to payments for goods, non-consulting services and consulting services to be procured under this project. The objective of the Municipalities for Youth (M4Y) in Kosovo project is to improve the socioeconomic inclusion of at least 3,000 marginalized youth in vulnerable communities in Kosovo through youth-driven civic engagement and skills building activities.

The Ministry of Local Government (MLG) is the implementing institution, and municipalities will also be key stakeholders under the Project. The direct beneficiaries of this Project are underemployed, unemployed, or inactive youth ages 15-24 living in vulnerable communities.

The Project includes three components:

Component 1: Subgrants for Youth-Driven Community Development Initiatives finances subprojects prioritized by youth to improve youth-friendly facilities and services. The component will finance two rounds of subgrants to establish youth-driven community development initiatives that support youth inclusion and livelihoods at the community level. Through these subgrants, the project will finance about 200 youth-driven initiatives.

Through these community-level activities, minimum 5,000 youth will gain greater access to youth-related services or community infrastructure. This component will also finance an objective community needs and mapping assessment to identify target communities.

Component 2: Youth Stakeholder Training will support youth mobilization, skills development, training, and coaching activities to support the engagement of young women and men in the subgrants described in Component 1. This will include: (i) community mobilization and outreach activities; (ii) soft skills training and project preparation/management training for youth in target communities; (iii) technical support for youth groups and CBOs; and (iv) follow-up support for youth throughout subproject implementation, including opportunities for work experience.

Component 3: Project Management and Administration, Monitoring and Evaluation, and Knowledge Dissemination will cover the costs of a PMU, establishment of operational support mechanisms (MIS and website), travel, telecommunications, printing and other office expenses, processes to respond to beneficiary feedback, as well as managerial oversight and external audits.
